

Nonprofit Payroll with Abila MIP Fund Accounting™

Gain Control and Flexibility Over Your Payroll Processes

Is your current payroll solution misaligned with the business needs of your nonprofit or government organization? Do you need more flexibility with your payroll system? If your answer is “yes” to these and other rational questions, know you’re not alone!

Seize control over your payroll with the Abila MIP Fund Accounting™ Payroll solution. MIP™ Payroll is significantly more cost effective and flexible than many outsourced payroll solutions. And, you’ll save time, because your payroll process is always in sync with your MIP Fund Accounting™ software.

BENEFITS

Save Valuable Time

Eliminate inefficient processes by using tools designed to generate payroll quickly and accurately. Easily record the hours worked in each program and department via timesheets. Then accurately distribute costs using automatic allocations. Timesheet templates are available to simplify detailing payroll codes for each employee.

Maintain Comprehensive Employee Records

Retain detailed profiles of your employees, including pay, biographical information and performance notes, with ease. Group employees by pay cycle and department to ensure accurate distribution, processing, and reporting.

Configure Payroll to Your Needs

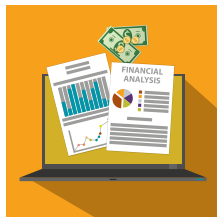

Set up payroll to meet your cycle. Create unique payroll codes, such as earnings, benefits, deductions, and more. Design them to meet the needs of your organization, based on pay cycles, leave-accrual policies, compensation plans, and more.

“Everywhere I’ve worked, I’ve always insisted they use MIP Payroll. It’s so much faster on the back-end. With multi-funded organizations, there’s no other way to payroll.”
